**RESPONSE TO RESTRICTION REQUIREMENT**

MS Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This response is filed in reply to the outstanding Restriction Requirement, mailed on October 9, 2007, in connection with the above application. The period for response has been extended to December 9, 2007, by the accompanying petition for one month extension. A Petition for Extension of Time and the appropriate fee are being filed concurrently.

Applicants hereby elect **Group I, Claims 1-30 and 35**, *with traverse*, on the following grounds.

Applicants note that the Group II Claims 33 and 34 depend on the elected Group I claims. Therefore, searching the subject matter of Group I will necessarily entail searching the subject matter of Group II. In other words, there would be no additional search burden on the Examiner to search and examine both groups together. Applicants respectfully request the Examiner to reconsider and withdrawal the restriction requirement.
